Weddings Celebrations Custom Orders

**Weddings**  
Weddings are such a joyous occasion and each one is different! The same is true of our wedding cakes. We have an almost unlimited combination of flavors and styles to choose from.

**Batters and fillings:** Our most popular batter is yellow, but we also offer red velvet, chocolate, marble, and others upon request. As for fillings, we recommend white buttercream icing, chocolate fudge icing, or one of several fruit fillings. That being said, if you have something special in mind it can't hurt to ask!

**Sizes:** Wedding cakes come in certain sizes with certain tier dimensions.

**Pricing:** Our wedding cakes vary in price.

**Other delicacies:** Our wedding cakes are really just the beginning. Lots of folks opt for Individual desserts (3" mini-cakes, cupcakes, etc.).

**Delivery:** We co-ordinate with the reception venue, florist, etc. for the timing of the delivery of the cake. Delivery fees vary by location. Smaller cakes can be packed by us to facilitate pick-up at the bakery.
